Help Wanted!!

We need your help! Please help your neighbors by volunteering to help in one or more of the following committees. The latest information on committees is on the [CHOA website About Us page](#).

The Christina Homeowners Association has committees that play a vital role in the community. The standing committees are:

As part of the Christina area, this committee has joined forces with CMIC to oversee common area maintenance and landscaping. The committee also consults on project approvals from homeowners. We occasionally have work days for the Beautification Committee to perform improvement projects in the common areas. We are also seeking volunteers to report problems with landscape issues in the common areas.

If you have moved into the neighborhood recently, and we have not been in contact with you yet, please contact us at christinahoa.welcome@gmail.com.
